## A TOUR TO REMEMBER

Brethren, oh what a tour we had last month. Brother Lou Montgomery gave us a personally guided tour of Miller Park. Brother Lou took us behind the scenes, to places you seldom see unless you work at Miller Park or take a tour.

We visited the AM 620 broadcast booth and the Press Box, checked out the newer sections called the 'Club on the Club' and learned that a Suite would only cost around \$85,000 a year.

After checking out the Club Level and Press Box we went to the visiting teams locker room and dugout. That was

very neat to see. Then we went out on the field and walked to the Bullpen and checked out the view from there. Afterward we stopped by Culver's for Dinner and Ice Cream.

## WHAT'S BREWING AT THE LODGE

This summer we are going to be visiting Miller Park a couple times. As you see, we have been there once already. The next time will be on June 25th, 2007. That is a Monday night. The game starts at 7:05pm. We will meet at the ball park.

This is a friends and family event, the tickets are \$6.00 per person (adults and children). Include is a parking pass, however, no food or drinks are included. We will be along the first base line.

The next time we are go, will be on Friday Aug. 3rd at 7:05pm. This will be for a members and guests (wife or friend). We have limited seating, room enough for 30 people. The

price is \$50 per Couple (or 2 people). We will be seated in the Dew Deck. This means that prior to the game until 1 hour after the start of the game we will have food. typically they server hamburger, brats, chicken and chips, pasta salad and dessert. The Menu varies but the food is always good.

Make your reservations early, contact Brother Mike Meyer, Secretary at 262-853-5631. Make sure you tell him which event you wish to attend, maybe even both!! For the June event reservations are needed by May 22nd and June 28th for the August event.

## NEWS OF A BROTHER

Congratulations to Brother George J. Korkos, because last November, the Medical College of Wisconsin named its first Chair in Plastic Surgery after our own Brother George.

This Chair will endow the college to further the education of the next generation of plastic and reconstructive surgeons as they treat patients who have sustained traumatic injuries, congenital birth defects and have cancer-related issues which require expertise in plastic

and reconstructive surgery, as well as aesthetic surgery.

We say well done and congratulations on your achievement Brother.

*"It is most reverently to be wished, that the conduct of every member of the fraternity, as well as those publications that discover the principles which actuate them, may tend to convince mankind that the grand object of Masonry is to promote the happiness of the human race."*

*George Washington*

"Observe good faith and justice towards all Nations; cultivate peace and harmony with all. Religion and Morality enjoin this conduct; and can it be, that good policy does not equally enjoin it? It will be worthy of a free, enlightened, and, at no distant period, a great Nation, to give to mankind the magnanimous and too novel example of a people always guided by an exalted justice and benevolence"

## THE MASTER'S MESSAGE

Worshipful Master  
Pat Militzer

Greetings Brothers,

We have been busy and keep getting busier. We have a petition for membership out with the Master's Board, and hopefully see it returned this month. That will be our second candidate in a short while. Watch for the upcoming degrees.

Last month, we laid the ground work for this month. We will be purchasing 50 bags of those wonderful Shrine Onions, then turn around and give them to the Second Harvest of Wisconsin, to help out the needy families and food pantries in our area.

We also donated to DeMolay for their conclave and contributed funds to purchase Phone Cards for the Troops serving overseas.

Thanks again to Brother Lou Montgomery for a wonderful tour of Miller Park. If you have not taken a tour, you should really look into it. It is well worth the trip, and you get a wonderful behind-the-scenes look at Miller Park.

It seems like we are spending a lot of time at Miller Park this year, but it has always been a fun event for all those who attend. We are going two more times this year. First, in June, on 25th. This is a event for friends and family. Bring the kids and friends out and enjoy the fun. Then again in August, on the 3rd. This is an adult's night out. A night to get a way from it all.

On the 4th Tuesday this month we will have a social night of Cards and games, with a light dinner. A night of fellowship and fun.

The Master Board dinner will be held this month on May 23rd at the Double Eagle Pub, in the Humphrey Scottish Rite building in Milwaukee. Dinner will be at 6:07pm. Parking available on the street around the main entrance at 790 N. Van Buren Street. The Double Eagle Pub is a new venture at the Scottish Rite.

As a side note, if you are a fan of the Friday Night Fish Fry, the Pub has some of the best Fish in town. A large filet of cod, with fries, cole slaw and rye bread. If not Friday Night, they are open Tuesday - Saturday from 4pm until midnight. I would recommend a visit. It is open to anyone in the Craft to visit and dine there. Janine and I seem to find ourselves down there almost every Friday night for fish.

Fraternally,

Pat Militzer  
Worshipful Master

"Masonic labor is purely a labor of love.

He who seeks to draw masonic wages in gold and silver will be disappointed.

The wages of a mason are earned and paid in their dealings with one another; sympathy that begets sympathy, kindness begets kindness, helpfulness begets helpfulness, and these are the wages of a mason. "
